PETITION TO REVIVE ABANDONED APPLICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

A Notification of Abandonment dated June 4, 2001 states that the above-identified application is abandoned for failure to respond to the Notification of Missing Requirements mailed October 17, 2000.

However, a response to the Notification of Missing Requirements, submitting a Declaration signed by the inventors, was filed on December 18, 2000, together with a one-month Petition for Extension of Time. Copies of the Response, Declaration and Petition for Extension of Time are enclosed herewith. Also enclosed is a copy of the post card receipt, which carries a Patent Office date stamp of December 18, 2000.

Accordingly, it is respectfully submitted that a timely response to the Notification of Missing Requirements was filed, and the application should not have been placed in an

abandoned status. Applicants hereby petition for removal of the abandoned status, and return of the application to the Examining Division.

In view of the foregoing facts, it is believed that no fee is due in connection with the filing of this Petition. If, however, a fee is required, the Commissioner is hereby authorized to charge any fees that may be due to the undersigned's Deposit Account No. 02-4800.

If the facts set forth above and the accompanying evidence are not deemed sufficient to remove the application from its abandoned status, the Commissioner is requested to provide an explanation of the basis for such a decision, and to conditionally treat this paper as a petition to revive the application under 37 C.F.R. §1.137(b), for unintentional abandonment, and accept the accompanying papers as a reply to the Notification of Missing Requirements. The fee for such petition should be charged to the above-noted Deposit Account. The entire delay in filing the reply, from the original due date to the filing of this Petition, was unintentional.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
